RE: **Affordable Phone Services, Inc.**

Dear Ms. Boyd:

The purpose of this letter is to update you as to the status of the 2010 Annual Report for Affordable Phone Services. First, I do apologize for the failure on our part to have this report completed as it ought to have been by the April 1st deadline.

I have spoken with our accounting firm regarding the status of the information necessary to adequately complete the report. They have informed me they have been granted an extension on the Affordable federal tax return which extends to October of this year. Since this is obviously an unacceptable request for us to forward to you, I have advised them to expedite the completion of the Affordable tax information relevant to the South Carolina Annual Report.

Bearing that in mind, we are requesting an extension for the South Carolina Annual Report for Affordable Phone Services. We ask that the extension allow us until Friday the 3rd of June 2011 to complete and file the Annual Report. As evidence and support for our request, I have attached the extension that we received for the Federal Tax returns for Affordable Phone Service.

If there are any questions regarding this extension request, please contact me Stephen Loren, directly at 352-433-2116 ext 207 or 352-427-4668 or via email sloren@telecomservicebureau.com.

Respectfully,

Stephen Loren
